

POSETOUCH II, POS TERMINAL FOR *FASTRAK*

Description

The POSeTouch-II, is PCS' newest powerful All-in-One system. It features a **Pentium IV** platform with great features such as 3 available powered serial ports as well as 6 USB ports. The POSeTouch-II makes connecting easy with unique ports such as an external IDE connection, a 12/24 Volt printer power supply port, compact flash slot, optional CD Rom/CDRW, and much more. The POSeTouch-II features a unique heat pipe cooling system for harsh environments. Supporting an Intel Socket 478 with onboard Intel LAN, it delivers blistering speeds up to 3.0Ghz as well as up to 2 gig of RAM.
