Complete Automated System For Food Services...

Parent / guardian prepays online or by phone

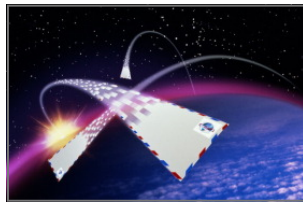

Prepayment information is transferred to District's POS System the following day

Student's meal account is updated at the cafeteria

Payment is transferred to district's bank account

A daily report is sent to the district via email

...now, Online Payment System For All School Activities !

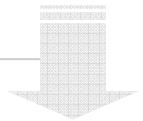

🕒 Activity / Event Management

District provides parents via PAMS with detailed event information (such as activity name, description, category, start and end date, deadline for registration, cost and more)

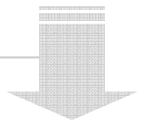

🕒 Deposits Per Department

Payments are transferred directly to district's bank account. PAMS can deposit payments into separate bank accounts per department.

🕒 Participation Reports

Participant details by activity are available online for district administrators to view. Reports can be printed or saved to a file.

🕒 Financial Reports

PAMS provides the school districts with various reports to assist in reconciling PAMS transactions. District administrators can view PAMS deposits sorted by department, date, school, and student name.

WE ARE LOOKING FORWARD TO WORKING WITH YOU!

A Great System for Parents!

Parents:

- ☑ Can pay for child's meals and school activities via Internet or Telephone from the convenience of home or office 24/7
- ☑ Can schedule automatic payments based on account balance
- ☑ Can monitor what their child eats online
- ☑ Receive e-mail notification of meal account balance / low balance
- ☑ Can pay with credit card or electronic checks for all school activities from one convenient location
- ☑ Can pay now or schedule a payment for a future date
- ☑ Can browse website to view available school activities (i.e. Community Education classes) prior to registration.
- ☑ Can contact the relevant school department with an easy to use 'contact us' form
- ☑ Can maintain one account for multiple students and non-students

A Great System for Districts!

Reflects very positively on your District with virtually no cost to you*

1. Dedicated technical support to monitor system 24/7 and assist school district administrators
2. PAMS **seamlessly** integrates with POS system
3. Software, Site Maintenance, Technical Support, Installation, and Training are provided **Free of Charge!**
4. The installation process is simple and done remotely via the Internet
5. Detailed reports are available online - deposits by Student, School, District and Bank Account

How much does it cost?

- ✦ **Free** Web Hosting
- ✦ **Free** Software
- ✦ **Free** Set Up
- ✦ **Free** Installation
- ✦ **Free** Training
- ✦ **Fee** Per Transaction*

* The transaction fee can be paid by district, by parents, or split between district and parents

* From PAMS experience, when district absorbs the per-transaction fees, it greatly increases parent participation in the pre-payment program

I am convinced! How do I install PAMS in my District?

CALL TODAY to start PAMS in your school district! It is easy and simple:

1. Contact PAMS at 1-877-PAMS-LUNCH to request application forms
2. Send application forms back to PAMS!
3. Schedule **FREE** software installation and training
4. Notify parents about the great service you now offer: PAMS!

Overview of PAMS BENEFITS

Web and Telephone Systems

PAMS offers parents the ability to make prepayments, setup recurring payment plans, and access student account balances online or by phone. The phone system is integrated with the PAMS website, and does not require additional settings from the district's side.

Central Installation

The installation is done remotely by PAMS Lunchroom's technical support. There is no cost for the installation!

Interface with POS School Lunch Software

PAMS automatically uploads and downloads information to transfer payment information to the food service POS software. Student account balances are uploaded and updated on PAMS website from district's POS software on a daily basis.

District Administrative Tools / Reports

Date	Student Card	Local Card	DEBIT Count	ASH Amount	Total Count	Total Amount (Not Paid)	Details
